

Press Release

Alaaddin Aydin of MAAG Group now in the European Senate of Business

Oberglatt, Schweiz, 28. Juni 2021 – Alaaddin Aydin, VP MAAG Germany / Managing Director, was appointed to the Senate of Economy Europe.

Mr. Alaaddin Aydin represents MAAG Germany GmbH as Senator in the European Senate of Business. The appointment took place during the Senate's Wine Blossom Festival on June 12, 2021 at the Sankt Annaberg Winery in Burrweiler, Germany. Mr. Alaaddin Aydin received the appointment certificate from Norbert Streveld, Chairman of the Executive Board Senate of Business Germany and Dr. Christoph Brüssel, Chairman of the Executive Board Foundation Senate of Business.

The Senate of Business is made up of personalities from business, science and society who are aware of their responsibility to the state and society. Together, they contribute to the practical implementation of the common good-oriented goals of sustainability in the context of an ecological / social responsible market economy.

To achieve its goals the Senate of Business is in dialogue with representatives from politics and science. Our honorary senators Jean-Claude Juncker, Prof. Günther Verheugen, Prof. Klaus Töpfer, Prof. Jürgen Rüttgers and Rosi Gollmann, along with many other experts, are exciting sources of inspiration.

Fairness and partnership in business life as well as the social competence of entrepreneurs and executives shape the work of the Senate. The ethical principles and values of the Senate's community are the basis and guideline for the economic actions of the members of the Senate.
